

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- how nice and sweet Maggie is
- obesity topic
- passion

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- none it was perfect

21) Do you have any other comments about the course and/or the instructor?

- Don't change it!

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst ail@stfs.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

origie wasn't serious 24/7, she was pretty chill.
so it made me feel more comfortable, like
usually scared of instructors who are up
tight and mean. so, I feel I ain't learning
as well. I learned a lot in this class.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

no, everything is fine.

21) Do you have any other comments about the course and/or the instructor?

I thought we were going to have
class on the bleachers one day? :/

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst ala@slc.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The instructor was fun and knowledgeable. (lab + course)
↳ It followed what we were doing in class (lab, lab)
↳ Small group, enough to get hands on (for the lab)

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

I think it was well instructed.
↳ It was fun

21) Do you have any other comments about the course and/or the instructor?

↳ Ball thing was cool.
↳ Textbook was kinda not following the course.
↳ Concluding.

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst alia@stfr.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- Angie and Aldona were very enthusiastic in class and it made me want to learn!
- I liked how the power points were online.
- Both instructors were easily approachable so I felt very comfortable asking questions.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- Nope 😊

21) Do you have any other comments about the course and/or the instructor?

- I really enjoyed this course, and being in class learning about healthy lifestyles has encouraged me to maintain an active lifestyle in my university years

*Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst ajl@stfs.ca.
Thank you for completing this survey.*

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The enthusiasm expressed by my professor really kept my interest.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

No, it's a great course.

21) Do you have any other comments about the course and/or the instructor?

Nope, but thanks for asking! 😊

*Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst ajl@stfs.ca.
Thank you for completing this survey.*

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Activities, labs were generally quite fun, interactive and informative.
- Liked the trivia games

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

None - Can't think of any now really enjoyed it

21) Do you have any other comments about the course and/or the instructor?

Thanks for the great semester

*Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aio@sfsu.ca.
Thank you for completing this survey.*

Student Course Evaluation

Your Opinions Matter

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- Enthusiasm
- Standup/Turn around
- Very nice teacher that cares

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- No, Favorite class

21) Do you have any other comments about the course and/or the instructor?

- Great course

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst alo@slfc.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Angie was the best. Atgoing and she got the class involved.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

NO

21) Do you have any other comments about the course and/or the instructor?

*Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst alya@sifc.ca.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Enthusiastic, gets class involved, ball exercise is funny

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

21) Do you have any other comments about the course and/or the instructor?

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst ala@stfc.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Angie

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

Yes. the lab did not feel like labs more like just talking wish the had more ▽

21) Do you have any other comments about the course and/or the instructor?

Both teachers were great ▽

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst pio@sifs.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

How interactive it is and how Angie breaks
the class

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

21) Do you have any other comments about the course and/or the instructor?

Really good Prof My favorite so far

*Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst pio@sfsu.ca.
Thank you for completing this survey.*

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Nice, told us a lot of info, games

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

More review on the topics, & what we should know

21) Do you have any other comments about the course and/or the instructor?

Love the games, didn't know where to go a few times

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst ala@stfc.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinions Matter

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The best aspects of this course are the instructor and the information covered.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

No

21) Do you have any other comments about the course and/or the instructor?

don't change anything

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aio@stfc.ca. Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- Angie's enthusiasm
- FITT
- Leads by example

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

No

21) Do you have any other comments about the course and/or the instructor?

Yes

I loved the passion Angie brings

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst ala@stfc.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The best aspects of this course in my mind was Angie's enthusiasm for what she was teaching and her vast knowledge on the material that was covered.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

None.

21) Do you have any other comments about the course and/or the instructor?

Angie is very effective in her teaching methods and should not change anything about her course or methods.

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst alj@affr.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- Being engaged
- being active during class
- broadening my knowledge on certain topics

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- Change the environment of the class room around because this will change things up.

21) Do you have any other comments about the course and/or the instructor?

- Great introduction into Human Kinetics!

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst ala@stfc.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- the topics we learned were highly of interest
- there were a variety of teaching methods utilized
- students were often involved in discussion and activities
- labs were enjoyable
- Professors were enthusiastic and easy to talk to

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

21) Do you have any other comments about the course and/or the instructor?

- I found it difficult to study for the midterm due to the broad, sometimes vague details on a small number of topics learned

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst al@stfs.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- Angie's friendly attitude makes learning the information fun.
- Although I hated when the ball came towards me in the ball toss, it was good to hear other people's opinions on the question asked.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- If it is possible put in a "Doll" or "Group" project that way you can meet your paper in the class.

The Material is well laid out. Nothing really needs to be improved.

21) Do you have any other comments about the course and/or the instructor?

Angie is a great Professor. She made learning fun. She made the information I was trying to understand.

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst alme@stfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The instructor kept me interested in what she had to say during every class. It's nice to have Anigre as a prof because she's such a great speaker!

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

No! That I can think of!

21) Do you have any other comments about the course and/or the instructor?

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst alic@stfc.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Instructor was very enthusiastic about teaching as well as material; she posses strong teaching skills and is very kind and approachable

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

This course could be improved by giving students a more tactile, hands on approach to learning.

21) Do you have any other comments about the course and/or the instructor?

Overall, great course and good learning experience

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst alme@stfc.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- instructor's enthusiasm and passion towards course
- instructor made clear what was important and what wasn't
- class was very interesting! some stuff I initially knew, some stuff I didn't!

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

• Nah. I think you're good!

21) Do you have any other comments about the course and/or the instructor?

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst al@stfs.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

I liked the movement such as the game with the ball or simply stretching every class. Angie was visibly interested in the course and that helped me stay engaged. Also, I enjoyed volunteering at Fit 4 Life.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

I think the expectations of each assignment should be more clear.

21) Do you have any other comments about the course and/or the instructor?

I enjoyed the course.

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst alia@stfc.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The best aspects were the ability of the instructor to incorporate the class in every lecture. This kept me very aware and aware of what was going on.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

I felt that some of the information discussed was a little vague and could have been described more thoroughly. I do understand there is no introductory course, in that case it was reasonable.

21) Do you have any other comments about the course and/or the instructor?

Had a very good time! Definitely gave me a good intro to the rest of my university career.

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst al@stfc.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Angie was extremely engaged in what she was teaching & her enthusiasm helped increase my love of the subject. All the power points were available online too.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

Felt sometimes my opinions in papers were considered incorrect if she didn't agree. Felt that was unfair sometimes.

21) Do you have any other comments about the course and/or the instructor?

Really loved the course. Made me glad I chose HKIN.

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst al@sfu.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

It is fun. Angie keeps us moving and involved. Angie is very enthusiastic and I love learning new things as a prof.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

21) Do you have any other comments about the course and/or the instructor?

The course is very interesting and needed for everyone, even if they didn't want to pursue their career in the human kinetics field.

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst alo@stfc.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

She thoroughly explained everything

• Amazing enthusiasm

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

• I like to re-write my notes + sometimes the slides were moved through too fast

21) Do you have any other comments about the course and/or the instructor?

• learnt a lot

• will definitely take another one of her courses

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst alo@stfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Angie is very energetic and passionate about what she teaches. She has creative ideas to get every one involved and she is good at getting things across.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

21) Do you have any other comments about the course and/or the instructor?

*Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst alo@stfc.ca.
Thank you for completing this survey.*

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Material was interesting.
Engaging classroom discussions

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

21) Do you have any other comments about the course and/or the instructor?

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst alia@slfr.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The enthusiasm

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

: It is perfect.

21) Do you have any other comments about the course and/or the instructor?

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst alo@stfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The best aspects involved were by far Angie's excitement and enthusiasm throughout classes. Always kept me interested and gave the information in a great way.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

None.

21) Do you have any other comments about the course and/or the instructor?

Great time!

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst alyon@stfc.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- Enthusiasm! -- there are no bad courses, only bad teachers.
therefore enthusiasm is key to engage and encourage students!

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- any assignments that were flawed in some form were discussed/altered appropriately (assignment 2 for example)
- overall it was an exceptional course

21) Do you have any other comments about the course and/or the instructor?

- continue being fabulous!

*Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst ail@uifs.ca.
Thank you for completing this survey.*

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Everything

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

21) Do you have any other comments about the course and/or the instructor?

Awesome

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst alia@stfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- learning about stuff I'm interested in
- Instructor was enthusiastic

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- The course is too easy

21) Do you have any other comments about the course and/or the instructor?

- A Great overall course, one of my favorite courses

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aio@sfsu.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinions Matter

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- enthusiasm!
- notes before class

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- nope it was great

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- interesting topics relating directly to ^{current} events
- enthusiastic presentation of info.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- marking: better clarity of assessment and what is expected

21) Do you have any other comments about the course and/or the instructor?

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst amia@sifs.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinions Matter

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The best aspects of this course was the info covered. I enjoyed learning about all the information in this course. I learned a lot. The best aspects of the instructor was the energy and enthusiasm she showed every single day. I enjoyed the interactions we had as a class and also throwing the ball around.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

Involving the statistics given in the notes, it would be better if we were told what was important and what wasn't, as some of the statistics were used on exams while others weren't

21) Do you have any other comments about the course and/or the instructor?

No

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst alo@sfsu.ca.
Thank you for completing this survey.

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Angie is very enthusiastic and does a fantastic job at engaging the whole class in discussions and activities

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

nope!

21) Do you have any other comments about the course and/or the instructor?

A great introduction to what Hkin means.

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst al@stfs.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The best aspects were the way that the class got to participate and be involved despite the high number of students.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

Assignment description, such as how I made mistakes on my references and citations.

21) Do you have any other comments about the course and/or the instructor?

No

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst alo@stfc.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinions Matter

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

It is interesting; applicable to personal lives, relatively easy to understand. Explained very clearly and thoroughly. Instructor is enthusiastic.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

The comments returned on writing assignments feels overly critical and at times makes it difficult to complete assignment.

21) Do you have any other comments about the course and/or the instructor?

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst alo@stfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The best aspects were that Angie always had great enthusiasm and was always prepared for class

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

No

21) Do you have any other comments about the course and/or the instructor?

Great Course, well taught!

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst al@stfs.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The best aspects of this course was how eager and excited Angie was towards the material being covered and the class in general.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

Ø

21) Do you have any other comments about the course and/or the instructor?

Ø

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aia@sfsu.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

You can relate what you learn in class to the real world

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

The topic covered were relatively easy, in depth analysis could have been used in certain topics

21) Do you have any other comments about the course and/or the instructor?

well done.

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst alme@stfc.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinions Matter

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The instructor is so enthusiastic & you can tell she is really involved with the things she teaches.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

None

21) Do you have any other comments about the course and/or the instructor?

None.

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst ala@stfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- Instructor is enthusiastic and encourages class engagement and participation.
- Good learning environment, very fun.
- Good teaching methods (i.e. using the ball for class discussion)

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- For some assignments, clarity of assessment could be improved

21) Do you have any other comments about the course and/or the instructor?

Overall very enjoyable class.

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aio@sift.co.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- very interesting topics
- professor who very much enjoys teaching
- + the slide shows
- standing up learning around (class. participation).

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

No not really

21) Do you have any other comments about the course and/or the instructor?

Fun class to go to, always learning
new things

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst alio@stfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The best aspect of the course was the amount of relevant life information that was taught. I learned valuable things that I will be able to apply every day.

The best thing about Angie is how outgoing she is about doing every thing she can to help her students do well.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

21) Do you have any other comments about the course and/or the instructor?

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aia@sfs.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- Angie had an enthusiastic personality that she brought to the classroom/lecture and it allowed me to always be engaged in her lectures.
- she had a great way of teaching that was unlike usual professors and it also allowed me to learn and understand the material thoroughly

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

21) Do you have any other comments about the course and/or the instructor?

- I enjoyed the class and I have learned lots which will be used in my everyday life.
- My favourite university course so far!

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst alia@stfs.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The best aspects of this course was getting to know certain topics such as high blood pressure and diabetes and how we can use this information after graduating to promote physical activity.

I enjoyed Vargie and Aldona, they have given me a greater understanding of why I wanted to be in HR.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

I don't believe anything needs to be improved.

21) Do you have any other comments about the course and/or the instructor?

I have enjoyed this course and will continue to love this program.

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aia@sfs.co.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

INTERESTING MATERIAL COVERED, ENTHUSIASTIC INSTRUCTOR
CARET CARED ABOUT TOPICS.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

NONE.

21) Do you have any other comments about the course and/or the instructor?

NONE.

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst alme@stfc.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- Angies outgoing
- Great power points
- involving whole class

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

: Not that I can think of

21) Do you have any other comments about the course and/or the instructor?

No, loved it! 😊

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst alo@stfs.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Best aspects of this course and/or instructor is the enthusiasm of the instructor and knowledge of the courses subjects. I find the class interesting and fun.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

21) Do you have any other comments about the course and/or the instructor?

I really enjoy Hkin 115, and the instructor really made me engaged in what she was teaching.

*Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst plm@sfs.ca.
Thank you for completing this survey.*

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

I really enjoyed how interactive this class was. I also loved how much energy Angie brought to the class while teaching her lectures.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

No improvements needed!

21) Do you have any other comments about the course and/or the instructor?

I really hope to have Angie as a future professor while at St. FX!

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst al@stfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

I really enjoy the passion that the instructor had for the subject she was teaching and how she was always looking to provide us with the most up to date information possible.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

I would liked to have seen more time spent on certain topics such as cancer and heart disease because these are very relevant to us today.

21) Do you have any other comments about the course and/or the instructor?

I am extremely pleased with how the course is set up and with its content. The instructor is amazing and her style of teaching is very effective.

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst amia@slife.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The best aspects of this course were that the information that we learned could always be applied in everyday life. Also, Angie always did a fantastic job in making sure she explains things in different ways so everyone understands.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

not overly

21) Do you have any other comments about the course and/or the instructor?

it was great!

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst alio@sfsu.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The best aspects of this class and the instructor are the enthusiasm of the instructor and the interactions we have between students and with Angie. It is an open, sharing, comfortable environment and the material is really interesting.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

21) Do you have any other comments about the course and/or the instructor?

I really enjoyed HKIN 115 and having Angie as an instructor. One of my favorite classes because I was always so interested in the subject matter and loved the enthusiasm.

Thank you for your feedback. Any questions should be directed to Almes Lyons, Research Analyst alia@sfsu.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The best aspects of the course are the prof's, they are nice, smart, inclusive and interesting. The prof's make the course awesome

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

The labs could be done at a faster pace but other than that the class is great

21) Do you have any other comments about the course and/or the instructor?

It's my favorite class this year, thank you!

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst plm@sls.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The best aspects of this course is the information.
It is what I am interested in (ie physical activities)
The instructor never loses my interest. She engages everyone in every class.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

Nope

21) Do you have any other comments about the course and/or the instructor?

It's a great course

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aio@sifc.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- the instructor got people in the class involved
- clear explanations
- notes were made available to us

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

It was great!

21) Do you have any other comments about the course and/or the instructor?

Really enjoyed taking this course. Very interesting and it wasn't too hard!

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst al@stfs.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- material is interesting
- Angie's passion for what she teaches is engaging
- classes are active - moving around frequently.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- labs could be improved, more interesting

21) Do you have any other comments about the course and/or the instructor?

Loved this class!

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst ois@sifs.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- she was enthusiastic

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

No

21) Do you have any other comments about the course and/or the instructor?

No

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst alo@sfz.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The best aspects of this course are that the professor expressed a great amount of passion when teaching. Therefore, it is interesting and fun for the business students to learn and enjoy coming to class.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

I don't feel Angie needs to improve on anything.

21) Do you have any other comments about the course and/or the instructor?

The best professor I had this semester, by far.

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst alio@sfsu.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The instructor's enthusiasm for the course

The class interaction

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

: The ideas were repeated alot and the same information is repetitive.

21) Do you have any other comments about the course and/or the instructor?

NO! :)

*Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst al@stfc.ca.
Thank you for completing this survey.*

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The best aspect of this course was that he contained the appropriate amount of material for students to understand. The instructor was enthusiastic while teaching and passionate, which made learning more interesting.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

21) Do you have any other comments about the course and/or the instructor?

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aia@stfs.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The course is interactive and it covers a wide range of materials

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

To be more clear on assignments

21) Do you have any other comments about the course and/or the instructor?

The ball toss wasn't the greatest part

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst alio@sfsu.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The instructor is very engaged in the class and teaches the material well.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

none.

21) Do you have any other comments about the course and/or the instructor?

none.

Thank you for your feedback. Any questions should be directed to Almes Lyons, Research Analyst ala@stfs.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

I personally love how Angie gets everyone involved and alive. Ensures attentiveness too. Especially when using the ball.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

No, it is all explained very well.

21) Do you have any other comments about the course and/or the instructor?

Nope but a great instructor.

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst alme@stfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- good teaching skills
- enthusiastic
- interesting topics
- helpful for everyday life

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

labs at faster pace

21) Do you have any other comments about the course and/or the instructor?

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst alio@sfsu.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- instructor was very enthusiastic & nice
- course was interesting & fun
- I liked how she used different methods of teaching (ball toss, videos, daily-experts)

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.
