Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

There are many great aspects about this course and Angie. Angie is #1 makes the course fun and exciting and makes me look forward to coming to class each day. She's really heart set on this course which makes her teach it very well because she wants to not has too.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

I know it is a ~~very~~ introduction course however I found some of the aspects a little general and common sense like, but none the less they were good to talk about and some things are helpful in everyday life.

21) Do you have any other comments about the course and/or the instructor?

Alk 115 is overall a great course. It is by far my favorite class that I am in right now and I am going to miss it in the new year.

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Angie was very welcoming into her classroom, energetic when she was teaching, and all around very helpful and nicest teacher or professor that I have ever been taught by. Angie is great!

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

I don't believe there is any, the course is great on its own.

21) Do you have any other comments about the course and/or the instructor?

One of the funnest classes I have ever taken, mainly because Angie made it so fun, and I'm sad it's only a half year course. I would highly recommend this course and the instructor to anyone!

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Angrie was very active and involved in the learning, her enthusiasm was obvious and made it easier to learn and absorb the material.

The course itself was enlightening and gave me a strong base in human kinetics and a thirst for more.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

: There were a few aspects of personal interest that I thought would have

fit well into the course, the dominant one being the effect of P.A. on productivity, but I was given the resources (through the library/lab) to learn more about it on my own.

21) Do you have any other comments about the course and/or the instructor?

I loved it! Great Job Angrie!

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

I like the fact that every question on the tests is from the slide shows. It provided lots of useful information to stave off the freshman 15.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

Angie needs to be less biased, she always has a VERY obvious opinion on everything and it's just kind of annoying.

21) Do you have any other comments about the course and/or the instructor?

Pumped for other kin courses next year.

we talked about food so often this class just made me hungry.

19) What were the best aspects of this course and/or instructor?

The prof of this class really enjoyed teaching and enjoyed the material. I learned a lot about Fitness and Nutrition that I didn't know.

Angie is by far the best and most enthusiastic prof this year and it really makes me want to learn and come to class

and she brings us

fruit

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

I honestly don't have anything that I think could be improved

21) Do you have any other comments about the course and/or the instructor?

Makes a huge difference when the prof enjoys the class ☺

I love how she updates us on recent news and always relate topics to business we face

here

Tots program is the best!

19) What were the best aspects of this course and/or instructor?

- she got the class up and moving what's much needed as the chairs are so comfy.
- she was always positive.
- always able to talk to and ask questions.
- slides on the internet.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- her slides were all she talked about and in the long run there wasn't a point to coming to the class.
- talked a lot (really fast) not always finishing what she wanted to talk about that day.

21) Do you have any other comments about the course and/or the instructor?

- make slides more of a guideline rather than the information as it was good info but I already had it all.
