

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Angie is the best part of the course.
She makes me not want to miss class.
She is very brilliant about her information.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

no.

21) Do you have any other comments about the course and/or the instructor?

I loved having her as my prof.

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aia@sfsu.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- Her :leys
- Videos were entertaining and informative
- Games

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- No.

21) Do you have any other comments about the course and/or the instructor?

Angie + Sandy are a dynamic duo.

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aia@sfsu.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The materials covered were all very interesting and good to learn. Angie made the class very enjoyable to attend with her smiles and enthusiasm.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

possible more of a variation of activities that involve moving

21) Do you have any other comments about the course and/or the instructor?

I really enjoyed this course, I wish it was all year! You're a great Prof!

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aia@stfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- Never made me feel stupid.
- Had knowledge about the information covered in class.
- Energetic
- Passionate ^{more}
- Was interactive than other classes.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- Maybe some more demos, or interactive aspects.
-

21) Do you have any other comments about the course and/or the instructor?

Thanks for a wonderful semester and Introduction to Human Kinetics! ☺ You're an inspirational lady, keep on keepin on!

*Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst via@stfx.ca.
Thank you for completing this survey.*

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The best aspects of this course was Angie's enthusiasm while teaching the class. She always showed her passion for physical activity which is needed to pass the idea to us.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

Make it not so much on the spot. Let people answer if they want.
~~Make it~~

21) Do you have any other comments about the course and/or the instructor?

It was my favorite course with the best prof!
Thanks for the great semester!

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst al@sfsc.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- Content was very interesting
- teacher was very enthusiastic about what she is teaching
- brought in guest speakers +

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

21) Do you have any other comments about the course and/or the instructor?

- Reminding people if their a durr expert

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst ala@stfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Course/Angie are both very motivating. I enrolled in HK sort of hesitantly, but now I know it is where I belong. I can't wait for my future at X

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

Sometimes slides are distracting. I prefer courses with less participation, more speaking. I get worked up over copying the slides and may sometimes miss the explanation.

21) Do you have any other comments about the course and/or the instructor?

LOVE Angie. She's fantastic. I felt she cared about all of us.

Also she is constantly working to improve her teaching.

Very helpful & professional.

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aio@sfsu.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Angie's enthusiasm and general knowledge and passion for the topics being covered.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

Maybe the information in the powerpoints could be more organized, online to see.

21) Do you have any other comments about the course and/or the instructor?

Great course + instructor.

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst ola@stfs.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- So much enthusiasm on Angie's part there is no way you could get bored in this class.
- The way Angie communicates is really helpful she speaks very loud and clearly.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- Sometimes goes through material way too fast.
- Sometimes places her personal opinion on things too strongly instead of allowing students to formulate their own opinions - without being influenced by hers.

21) Do you have any other comments about the course and/or the instructor?

- Really enjoyed the course and Angie's teaching style.

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst al@stfr.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

-I liked her teaching methods and how she organizes her class in lecture

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

No

21) Do you have any other comments about the course and/or the instructor?

Keep up the good work

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst plya@sfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

I have to say that Angie is one of the best profs/teachers I have ever had. She brings excitement to the classroom and gets the students motivated. She is fair to the students and provides all material on her website. She is just overall an amazing human and other profs in this university should take a lesson from her.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

I do not believe there are any areas which need improvement in this course.

21) Do you have any other comments about the course and/or the instructor?

This is the best class I have ever had and really enjoyed coming every class.

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst olia@stfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

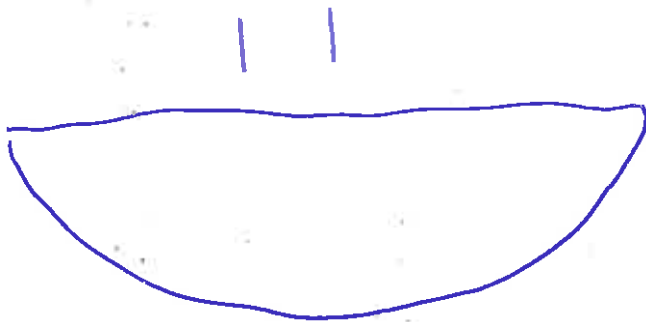

19) What were the best aspects of this course and/or instructor?

- the energy and enthusiasm from Angie
- some parts of the course material were very interesting and engaging

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- some of the course material was a little dry
- not always clear about what fact/stats should be reviewed for exam

21) Do you have any other comments about the course and/or the instructor?

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst ala@stfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- variety of presentation tools ie ppt, videos, guest speakers
- interactive model of the class
- open group discussion
- highly applicable to real life, content
- approachability of Angie
- enthusiasm of Angie and Sandy (dynamic duo)
- ~~FANTASTIC~~

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- less repetition surrounding the barriers/benefits etc of Physical Activity

21) Do you have any other comments about the course and/or the instructor?

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst alia@sifs.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- so enthusiastic \approx passionate about what they taught

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- not a fan of ball toss, not everyone is comfortable talking to a room of 200 people

21) Do you have any other comments about the course and/or the instructor?

- never felt the urge to fall asleep in class

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aia@stfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Angie was very enthusiastic and passionate about what she teaches. I loved coming to this class, it had a nice block time too.

- Angie is fair.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- I didn't like talking about food when I was hungry b/c it was lunch time.

21) Do you have any other comments about the course and/or the instructor?

Angie was the best start to my year and the Human Kinetics program

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst ajl@sfz.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Class is so fun! We learn everything in the criteria, but Angie makes it so fun! She is always so excited about what she is teaching! Also so helpful! I wish all my profs were like her!!

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

NONE!

Love this class!

21) Do you have any other comments about the course and/or the instructor?

Angie is an amazing prof. Anyone who takes her classes is lucky. I wish all my profs were as excited as her. Her classes & assignments are fun & she is an A++ prof!

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst alia@stfs.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- * Did not just lecture us but made us involved
- * Lectures were interesting
- * Was very passionate about her work which made it fun to come to class

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- * The major assignment was a little difficult at first to understand but after explaining it a couple of times it became clear.

21) Do you have any other comments about the course and/or the instructor?

[Handwritten signature]

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst alia@stfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- interesting
- always fun
- kept us entertained
- always kept us engaged

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- take longer on slides, so that students can take notes

21) Do you have any other comments about the course and/or the instructor?

Sunshine & Smiles ☺

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst ail@stfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Angie always made class extremely fun and it was a class I never wanted to miss. I am so sad that HK is not a full year course.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

No

21) Do you have any other comments about the course and/or the instructor?

I'm really going to miss this class.

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aia@sfsu.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- Angie's enthusiasm and passion
- Best teacher/prof I've ever had.
- Really interesting course material.
- Lots of interactive activities incorporated into lecture.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

No!

21) Do you have any other comments about the course and/or the instructor?

LOVED this class, I wish it was full year!

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aia@sfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

+ It's very informative I love coming to every class because I learn something new everyday.
+ she gets us moving around.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

More hands on learning

21) Do you have any other comments about the course and/or the instructor?

My favorite class so far at X

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aia@stfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- very interesting material
- prof is very enthusiastic & passionate
- ~~the way she teaches~~
- learned a lot that I know apply to my own life and also share with others in hopes that they do the same

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

~~no~~

21) Do you have any other comments about the course and/or the instructor?

- her love for teaching is clear and she not only teaches the material but also encourages everyone to take steps toward improving our own health & wellness.

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst ail@stfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The best aspects were that its easy to follow and understand lecture
Angie keeps her students interested and allows us to voice our opinion on things and be interactive during the lecture

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

Sometimes there's a lot of content on the slide but besides that no!

21) Do you have any other comments about the course and/or the instructor?

The course is very enjoyable with Angie as the prof.
She puts the notes online, but most people come to class anyways because her lectures are very beneficial and her strong opinions towards certain topics helps you remember the material

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aio@sifc.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

She was super motivated to get us interested in the course, and in getting active/healthy. Angie is super approachable and I think every first year should take this course, because she teaches you an effective way of living university life first year. She's just great!

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

None!

21) Do you have any other comments about the course and/or the instructor?

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aio@sfsu.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

- so fun
- Angie always in a great mood

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst olia@stfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- Very enthusiastic.
- Always enjoyed having this class, unlike Biology

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- Slow Down on the slides
- was hard to copy notes at some points

21) Do you have any other comments about the course and/or the instructor?

Loved it 😊

See ya 4th year!

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst ala@stfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- The involvement of everyone with stand up turn around and discussion
- The course material was interesting to learn and
- Angie was very clear in teaching it

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

• No

21) Do you have any other comments about the course and/or the instructor?

• Loves it

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst ola@stfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Enthusiasm of instructor was awesome!

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

Full year course?
More physical activity

21) Do you have any other comments about the course and/or the instructor?

I will miss Hkin 115 !!

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst al@stfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- The amount of energy put into lectures
- = Made the class enjoyable to be in

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- : Make it a full year course.

21) Do you have any other comments about the course and/or the instructor?

Favourite class !!
😊

*Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst al@stfs.ca.
Thank you for completing this survey.*

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

It was a lot of fun and encouraged me to live a healthy lifestyle. The instructor was amazing you could tell she loved what she was doing. We learned a lot of valuable information.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

No, it rocked!

21) Do you have any other comments about the course and/or the instructor?

I recommend everyone take the course especially in 1st year university. It helps you live a healthy life and promote one to others.

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst ola@sifc.ca.
Thank you for completing this survey.

Student Course EvaluationYour Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Angie's enthusiasm, she makes all her students feel comfortable to talk in class. I enjoy standing up part way through class to get my concentration back. This course has been very informative and I never wanted to miss a class because I loved the classes. I love that Angie provides students with so many resources + opportunities (i.e. Fit4Fresh, Fit4Life volunteering). She is a very dedicated teacher.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

Personally, I don't find the textbook that useful, maybe because the powerpoints and notes I take are good but I don't ever find new information in the readings.

21) Do you have any other comments about the course and/or the instructor?

I found the second half of the course has quite a bit more material than the first half. Not just because of the extra 2 weeks but I felt the classes had a lot more content in the 2nd half.

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aio@sfsu.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- HKIN 115 was always the best part of my day
- Angie gave us real-life applications of what she was teaching us.
- the course concepts were interesting
- Angie moved at just the right pace
- She made every class fun
- You wanted to go to class

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- I couldn't get the slideshows to format properly (computer problem - Not Angie's fault)
- NO WEAKNESSES

21) Do you have any other comments about the course and/or the instructor?

- Angie is amazing!
- there is nothing bad to say about her or the course
- I wish all profs were like Angie
- She is so approachable, inside and outside of class
- She is an amazing role model for all aspects of life
- She brought out the best in all of us in physical activity and in our academic capacity and in our personal lives

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aia@stfs.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- Always Engaging
- Interactive
- Interesting
- Always something new

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

- Time spent on slides should be spent equally
- A little more time on slides to allow students to take notes

21) Do you have any other comments about the course and/or the instructor?

- Loved coming to HELL5, Angie is an amazing Prof and I hope to take more of her classes in the future!!
- sunshine & smiles Angie!!

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aio@sfsu.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The classes were always well prepared and so much enthusiasm was brought to lecture. That we weren't always just sitting taking notes but different methods were brought into our class consistently. Fun ways of learning were practiced in a way to keep our full attention.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

19) What were the best aspects of this course and/or instructor?

→ enthusiastic
→ fun

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

: more physical activity.

21) Do you have any other comments about the course and/or the instructor?

I will miss it, Angie did a great job!

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst alw@stfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- Angie is always upbeat and jokes like she wants to be in class
- She made the topics easy to follow and understand
- I liked how Angie interacted with the class and used different activities like the ball toss and the "sit up, turn around" to keep students engaged and alert.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

Nope → keep it up!

21) Do you have any other comments about the course and/or the instructor?

- I like that Angie is enthusiastic about her career and truly enjoys teaching. She is a professor for all the right reasons and she wants her students to be successful

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aia@stfx.ca.
Thank you for completing this survey.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The energy! The smiles and attitudes were fantastic! Besides the course being absolutely amazing and interest, Angie sincerely made it a greater class.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

To be honest, no! I really enjoyed everything and can't think of any improvement. Already a wonderful course!!

21) Do you have any other comments about the course and/or the instructor?

Angie is the best, truly amazing!
Best class of the day! Her teaching style is wicked and fantastic - I never was bored in her class.

Thank you for your feedback. Any questions should be directed to Almee Lyons, Research Analyst alo@stfx.ca.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

SHE WAS ALWAYS PASSIONATE, AND ENTHUSIASTIC ABOUT EACH SUBJECT SHE WAS TALKING ABOUT WHICH HELPED ME AS A STUDENT. IT KEEPS MY ATTENTION FOCUSED. EACH CLASS WAS FUN WHICH MADE YOU WANT TO COME TO CLASS RATHER THAN WANT TO SLEEP THROUGH IT. SHE WAS ALSO VERY APPROACHABLE & FRIENDLY, HELPFUL WITH ANY AND EVERY QUESTION I HAD

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

NONE. IT WAS AN IDEAL CLASS

21) Do you have any other comments about the course and/or the instructor?

NONE GREAT JOB!

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aia@sfx.ca.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

enthusiasm - she always was welcoming and really wanted to be there teaching our class.
online lecture - this was great because whether you had to miss class, or you didn't understand what was going on, you could refer to the powerpoints online. Also, they were up early, so you could follow along in class and add information as you pleased.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

None, this course has been my favorite course so far.

21) Do you have any other comments about the course and/or the instructor?

Angie is an awesome prof who is always energetic and willing to help us out.

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst ail@stfx.ca.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

- It was interactive (ball toss, daily experts) so I felt included and invested. This class felt like a family and it was fun. Angie was great and very enthusiastic.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

The Report. Make it a bit easier by organizing the data better

21) Do you have any other comments about the course and/or the instructor?

Definitely the funnest course I have. I learned a lot from it, and it is actually valuable information to hold on to. I know that I can definitely use the best program here at X. I really wish it was a full year course.

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst alia@stfc.ca.

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Outgoing, loads of fun answers questions, but vague on what she wants for answers.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

A little vague on what she expects for answers because she says your answer is good and great when you take your hand.

21) Do you have any other comments about the course and/or the instructor?

Love this course!
