Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Angie is positive, outgoing + passionate about what she teaches. I feel that she really wants us to learn and succeed. I like how much she cares about each of her students, and how she is always available for consultation outside of class. The service learning aspect of this course is fantastic. I always feel comfortable around Angie and appreciate her positive approach to everything she does.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

: More in class discussions

21) Do you have any other comments about the course and/or the instructor?

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The instructor was very energetic and her interest in the area translated to the students. Her ~~class~~ class was open to ask questions and discuss topics from the material. Labs were helpful in developing skills to assess children.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

I feel like the class was sometimes boring because of the material so if the material could be presented in a different manner then more students would keep attending the class.

21) Do you have any other comments about the course and/or the instructor?

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

21) Do you have any other comments about the course and/or the instructor?

None. specific for the final reflection paper,
perhaps take time every few weeks to explain
what they should be looking for or discuss what
they have noticed so they know specifically
when they are and what they are doing on
the paper

Student Course Evaluation

Your Opinion Matters

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

The instructor shows a lot of enthusiasm when teaching.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

Had everyone likes to be put on the spot when asked to be a daily report. Class participation could occur just by asking questions as lots of people need to think on things for a while before being able to answer.

21) Do you have any other comments about the course and/or the instructor?

Thank you for your feedback. Any questions should be directed to Aimee Lyons, Research Analyst aia@stfx.ca.

Student feedback can help instructors shape/improve their teaching. Please provide specific examples for the following three (3) questions

19) What were the best aspects of this course and/or instructor?

Angie is incredibly enthusiastic and engaging.
Everything she taught she did with confidence and detail.

20) Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

21) Do you have any other comments about the course and/or the instructor?

This course was the best of my 4 years at SFX.
I give all the credit to Angie's presentation of the material and approach to teaching.
I am really happy I took a course with a service learning component, I can't believe it took me until 4th year to discover it.
